

Tell about things in the order they happen.

Think of four things you do before you go to school.
Draw them in the correct order.

1 First

A large, empty rectangular box with a thin black border, intended for drawing the first step of a sequence.

2 Next

A large, empty rectangular box with a thin black border, intended for drawing the second step of a sequence.

3 Then

A large, empty rectangular box with a thin black border, intended for drawing the third step of a sequence.

4 Last

A large, empty rectangular box with a thin black border, intended for drawing the fourth step of a sequence.
